Valliammal College for Women, University of Madras — CGPA: 8.25/10 (82.5%)

Higher Secondary (Class XII) 2023

Wesley's Matric Higher Secondary School — 68%

Secondary School (Class X) 2021

Wesley's Matric Higher Secondary School — Pass

INTERNSHIP EXPERIENCE

AI Tool Frontend Development Intern

Corner Stone Robotics Pvt. Ltd.

- Developed responsive frontend interfaces using HTML and CSS for AI-based tools.
- Built user-friendly interfaces for AI-based applications, collaborating with the development team.
- Worked collaboratively with team members to improve application usability and performance.
- Gained practical, hands-on experience with modern frontend development workflows.

PROJECTS

Course Management System *Java, Spring Boot, MySQL, HTML, CSS, JavaScript*

- Designed and developed a full-stack Course Management System to streamline academic administration.
- Built modules for managing students, faculty, courses, enrollments, attendance, and reports.
- Implemented CRUD operations using Spring Boot and MySQL for efficient academic data management.
- Developed an interactive admin dashboard with real-time academic statistics and enrollment tracking.
- Created responsive, user-friendly interfaces using HTML, CSS, and JavaScript.

Online 3D Human Sculpture Customization and Ordering System *HTML, CSS, JavaScript*

- Developed an interactive web application for customized 3D human sculpture ordering.
- Designed an attractive landing page with modern UI components.
- Implemented product customization features to improve customer experience.
- Built a fully responsive interface compatible with both desktop and mobile devices.

Personal Portfolio Website *HTML, CSS, JavaScript*

- Designed and developed a responsive personal portfolio website showcasing skills, education, and projects.
- Added smooth animations and responsive layouts to improve user experience.
- Published and deployed the portfolio using GitHub Pages.
